Robin Class Homework Activities – Spring Term 2020

Our topic this term is 'Terrific Toys' where we will be thinking about our own 'history', looking at the materials toys are made from and discovering about how toys have changed over time.
Choose any of these activities to complete at home. Try to complete at least 2 each half term as well as the Whole School Writing Challenge.
Bring in your homework folder on Wednesdays. We will mark anything in your homework book and send folders home again on Fridays.

Activity 1 – Winter/Spring Time We will continue talking about the changing seasons. Winter can seem desolate, but can you complete the Wonderful Winter Hunt sheet on a chilly walk? Sign here/send in page	**Activity 2 – History** Do you know anyone who owns an 'old' toy? Bring a photo or drawing of it (or the toy itself, if you are allowed) and add it to our Toy Museum. Make sure it is carefully labelled. Can you find out when it was played with and remember who owned it? Bring it in for a few days or half term!	**Activity 3 – Weight** Choose 5 toys – use your hands to see if you can tell which is heaviest or lightest. Can you put all 5 in order? Challenge: Let an adult choose the toys! Sign here to show this has been completed
Activity 4 – Money Re-use your pile of money from last term. Challenge a grown up to find the same coin as you. …or make the same amount as you have (check to see if they get it right) …or work together to find as many different ways as possible to make the same amount (remember to work systematically!) …or even race to see if you can make the same amount fastest. Adults – sign here to show you've tried!	**Activity 5 – Capacity** Find 3 containers. Which one holds the most water? How do you know? Which one holds the least? How many of the smallest cups fills the biggest? Try with different containers – some big, some small. Challenge: Use 5 containers Can you draw your containers in order?	**Activity 6 - Research** Research the history of your favourite toy: Use books or the internet. Where and when was it first made?? What material was it made from? How has it changed over time? Can you find pictures of what it used to look like? Draw or stick in a picture of your toy now and what it used to look like. Label the pictures. Record in homework book
Activity 7 - Creative Make a 'Toy Board' Use the template in your folder, or stick pictures directly into your book. Return in homework folder	**Activity 8 – Maths** Practice your number bonds to 10. Teach our 'ping-ping' game to someone at home. Time yourselves. Can you get quicker at 10 rounds? Adults, sign here to show you have been taught!	**Activity 9 Whole School Writing Challenge** Details about this homework will follow later in the term from Mrs Seward.
